

WIKIMEDIA UK

Application for Organisational Supporting Membership

Wikimedia UK aims

- ◆ to enable, assist, promote and promulgate wider participation in the creation, dissemination and expansion of information and educational resources covering the world's knowledge and languages to all persons, everywhere
- ◆ to further the development of electronic, printed, and other resources required to support such participation
- ◆ to produce, publish and develop, information resources, whether in printed, electronic, or other forms
- ◆ to make use of or encourage the use of information resources for the advancement of education, and
- ◆ to encourage the adoption of practices and policies to widen education, participation and dissemination of information worldwide

Wikimedia UK is an independent Chapter of the Wikimedia Foundation, Inc, serving the United Kingdom of Great Britain and Northern Ireland. Membership is open to all individuals and organisations who support these aims on payment of an annual fee. The right to decline any application is reserved..
